TAEKWON-DO PATTERNS:

This patterns competition will be for Chang Hon traditional style patterns only. If you do a pattern that is not recognized as one of the 25 Chang Hon patterns you will receive a no score. The black belts competitors will do one mandatory and one pattern of their choice. Color belts will choose their pattern for competition. Black belts will go head-to-head, the colored belts will be scored using the flip card 5 to 10 point scoring system and compete one at a time.

TEAM PATTERNS:

Team patterns will be traditional patterns only. Team members must all be performing the same pattern. The team will be made up of 3 - 5 person teams of sorted belt ranks. No team may have more than half it's members black belts. Example: A five member team may have only two black belts and the other three must be of colored belt rank. Teams will not be scored on entering or exiting of the floor.

CONTINUOUS FREE SPARRING:

We will use one two-minute round. The rings will be run using YCTA Continuous sparring rules and regulations the contact will be controlled. Head gear is mandatory at all levels. One, two or three points will be awarded depending on the technique used. Time will run straight through and will only be stopped in the case of an injury or equipment failure. YCTA Tournament Rules books will be circulated around the tournament floor or contact your state administrator for a copy. Weight must be filled in on the registration form if you compete in sparring. If a fighters weight is in question, that fighter weight will be checked.

POWER BREAKING:

Power breaking is only offered to Red and Black Belts who are 13 years or older. Any special breaking rules will be provided the day of the tournament.

SELF-DEFENSE:

Competitors are to pre-select a demonstration partner, who will attack only. Competitors will be judged in pairs and perform a defense against two attacks selected by the judging panel, one attack at a time, appropriate to the competitor's rank. The judging Panel will vote on the best performance and the winner will advance to the next round.

GRAND CHAMPIONS:

To be eligible for grand champion you must be red or black belt rank and 13 years old or older. You cannot have been disqualified during any event. Medals in team patterns will not apply. Each Gold medal earned in Patterns, Sparring, Self-defense and Breaking will count as 3 points. Each Silver medal will count as 2 points and each Bronze medal will count as 1 point toward Grand Champion. Grand Champion points will then be multiplied by the number of competitors in the bracket then added to the individual's total. The person with the most points wins. One Grand Champion award will be given for each of the following groups, Adult Male, Adult Female, Junior Male and Junior Female competitors.
